

Student Transition Profile

This information will help guide the discussion and planning around the transition of your child. We ask that you consider these questions from the parent/guardian perspective.

1. What are your child's strength?

2. What do you think your child will find challenging about the transition to secondary school?

3. What goals do you have for your child transitioning to secondary school?

4. What are some of the practical strategies and approaches that work for your child to support their learning?

6. What are some behaviour management ideas that work at home?

7. Are there any assessment reports or additional information that you may like to share with the school (please bring them along)?

8. Other information
