

Year 7 Semester 1

SUBJECT	Periods per Week (48 Minutes)	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	
LOTE: French	3	French speaking countries and language awareness, greetings, self-introductions									Music						Family					
LOTE: Indonesian	3	Introducing yourself, introduction to Indonesia																				
Maths	5	Statistics and Probability							Measurement			Algebra – tables, graphs and rules					Number - Patterns and Strategies					
Maths SEALP	5	Measurement – perimeter, area, volume and capacity						Directed Number			Algebra - Linear Graphing					Probability				Number - Ratios and Percentages		
English	5	Introduction			Poetry (CAT 1 - Poetry Anthology)				Text Study: Boy (CAT 2: Text-response style TEEL paragraphs)					Media Literacy/Print Advertising (CAT 3: Design a product, advertisement and supporting documentation)				Media Literacy (Sem 2)				
		*PAT & on-demand testing									*NAPLAN 9-11 May											
English SEALP	5	Poetry (CAT 1 - Poetry Anthology and Guided Response)						Text Study: Lord of the Flies (CAT 2: Text Response Essay)					Media Literacy/Persuasive writing (CAT 3: Persuasive piece - Letter to Editor, Opinion Piece or Feature Article)				Media Literacy (Sem 2)					
		*PAT & on-demand testing									*NAPLAN 9-11 May											
		Independent reading Writer's notebook Literacy skills																				
Science	3	Science 101				Experimenting				Separating Mixtures				Marine Classification				Earth's Resources				
Science SEALP	3	Science 101																				
Humanities	3	Ancient Australia & History Skills							Ancient China					Ancient Egypt								
Home Group	1	Introduction to WHS	Willi-High Expectations	Team Building	Study Habits/Time Management	Personal Learning Goals	Bullying Prevention	Bullying Prevention Cont.	Cyber Safety	Study Skills	Reflections on Goals Sem 1											
Sport	2	Students choose from a variety of sports													Students choose from a range of sports							
HAPE Health PE	0.6 1.4	Introduction	Fitness Testing				Netball				Volleyball				Health: My Fitness Profile				Aquatics (Sem 2)			
Drama	3	Non-Verbal Communication- Mime						Script Writing & Voice work Radio Play				Ensemble Performance Learning blocking/character development/theatrical styles										
Art	3	Painting (Drawing) Theme Based						Paper Mache (Theme Based)				Visual Communication										
		Study of Art Elements/Theory assignment (Introduction into art elements)																				
		Sketchbook Design and Drawing Task																				
Music	3	Performance skills				Music arrangement			Composition			Solo performance				Group performance						
		Theory/analysis studied throughout the semester																				
Design Technology Wood	3	Safe use of hand and power tools	The design process used in the design and production of a Chopping Board				CAT 1: varies			Safe use of hand and power tools	The Design Process used in the design and production of a Tic Tac Toe Game Box			Electronics	CAT 2: varies				Reflection and Extension			
		CAT 3: Combination of theory and practical skills and challenges during the semester																				
Food Technology	3	Safety	Equipment/Measurements		Sensory Evaluation		Nutrition and Dietary Requirements		Practical Sessions			Design Briefs: Investigation, Design, Production & Evaluation					Self-evaluation and Reflection					
Horticulture	3	Tool Safety		Plant selection and planting			Plant classification		Plant function and reproduction			Soil and nutrients		Systems, design and hydroponic systems				Plant identification and design	Self-Evaluation and Reflection			
		Plant propagation and Cultivation																				

Year 7 Semester 2

SUBJECT	Periods per Week (48 Minutes)	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
LOTE: French	3	Family					Nationalities					Food and Sport									
LOTE: Indonesian	3	School										Food									
Maths	5	Geometry – transformations and angles					Algebra – techniques and solving equations					Number – fractions, decimals and percentages Probability									
Maths SEALP	5	Measurement – the circle					Algebra – Simplifying expressions and solving equations					Statistics		Number - percentages							
English	5	Media Literacy cont. - Television Advertising (CAT 1: Create speech or audio-visual text)			Text Study: WHS Story Anthology (CAT 2: Creative response – extra scene)					Literature Circles/Film as text: Princess Bride (CAT 3: Participation and creative response to themes)											
		*PAT, on-demand and other testing																			
		Independent reading Writer's notebook Literacy skills																			
English SEALP	5	Media Literacy cont. - introduction to Media Text Types (CAT 1: Advertising campaign: pitch, packaging and advertisement - oral)			Text Study: Taming of the Shrew (CAT 2: Text Essay) - Compare & Contrast activities included in coursework							Literature Circles (CAT 3: Participation and character comparison)									
		*PAT, on-demand and other testing																			
		Independent reading Writer's notebook Literacy skills																			
Science	3	Earth's Resources					Forces					Earth and Space					Food Chain and Food Webs				
Science SEALP	3	Cells and Microscopes					Energy types					Digestive Systems					Earth and Space				
Humanities	3	Water in the world										Place and Liveability (inc. Fieldwork)									
Home Group	1	Available Resources / What is Bullying?	Project Rock it Debrief	Goal Setting Semester 2	How to manage Bullying	How to identify Bullying	Personal Learning Goals	Personal Safety at School	Being Assertive	Seeking Help / Attitudes to School	TBC										
Sport	2	Students choose from a variety of sports										Students choose from a range of sports & leisure activities									
HAPE Health PE	0.6 1.4	Aquatics		ICT	Indoor Hockey			Softball/Baseball			Health: Adolescence and Change					Fitness Testing		Minor Games			
Drama	3	Non-Verbal Communication- Mime					Script Writing & Voice work Radio Play					Ensemble Performance Learning blocking/character development/theatrical styles									
		Students keep a developmental drama journal throughout the semester																			
Art	3	Painting (Drawing) Theme Based					Paper Mache (Theme Based)					Visual Communication									
		Study of Art Elements/Theory assignment (Introduction into art elements)																			
		Sketchbook Design and Drawing Task																			
Music	3	Performance skills			Music arrangement			Composition			Solo performance					Group performance					
		Theory/analysis studied throughout the semester																			
Technology																					
Design Technology Wood	3	Safe use of hand and power tools	The design process used in the design and production of a Chopping Board					CAT 1: varies			Safe use of hand and power tools	The Design Process used in the design and production of a Tic Tac Toe Game Box			Electronics	CAT 2: varies			Reflection and Extension		
		CAT 3: Combination of theory and practical skills and challenges during the semester																			
Food Technology	3	Safety	Equipment / Measurements		Sensory Evaluation		Nutrition and Dietary Requirements		Practical Sessions					Design Briefs: Investigation, Design, Production & Evaluation					Self-evaluation and Reflection		
Horticulture	3	Tool Safety		Plant selection and planting			Plant classification		Plant function and reproduction			Soil and nutrients		Systems, design and hydroponic systems			Plant identification and design	Self-Evaluation and Reflection			
		Plant propagation and Cultivation																			
Textiles	3	Investigating safety and Simple and complex equipment		Investigating fabric			Product construction										Evaluating and reflection				

Year 8 Semester 1

SUBJECT	Periods per Week (48 Minutes)	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20		
LOTE: French	3	School and Organising an event										Fashion											
LOTE: Indonesian	3	Family										Holidaying in Bali											
Maths	5	Measurement – perimeter, area, volume and capacity					Directed Number			Algebra – Linear Graphing					Probability					Number – Rates and Ratios			
Maths SEALP	5	Measurement and Geometry - Triangles					Number - Financial Maths					Algebra – Linear Equations					Numeracy						
English	5	Introduction		Text Study: The New Paper Windows (CAT 1: Matrix assessment - VARK vs Bloom's)					Media Literacy - Oral Presentation of a viewpoint (CAT 2)					Media Literacy - Letter to the editor, editorial or opinion feature article (CAT 3)					Text Study (Sem 2)				
		*PAT, on-demand and other testing																					
		Independent reading Writer's notebook Literacy skills																					
English SEALP	5	Text Study: To Kill A Mockingbird (CAT 1: Text Response Essay)										Media Literacy - Issues in the media (CAT 2: Debate)					Media Literacy - Language Analysis (CAT 3: Essay)					Text Study (Sem 2)	
		*PAT, on-demand and other testing																					
		Independent reading Writer's notebook Literacy skills																					
Science	3	Science at work										Matter					Digestive Systems					Physical and Chemical Change	
Science SEALP	3	Acids and Bases					Geological Activity					Responding Systems											
Humanities	3	Medieval Europe					Spanish Conquest					Medieval Asia (either Japan, Polynesia, Khmer or Mongolia)											
Home Group	1	Study Skills										Relationships											
Sport	2 (half year)	1.Students choose two sports during first or second semester and one challenge unit during the other semester.										Students choose from a range of sports & leisure activities											
HAPE Health PE	0.6 1.4	Introduction		Fitness Testing			Soccer			Health: Building Respectful Relationships					Basketball			Speedball (Start Sem 2)					
Visual Art	3	Portraiture (Drawing/Painting)					Ceramics (3D work)					Visual Communication											
		Art Theory Assignment										Art Element and Principle Theory (Done Throughout the semester)											
		Sketchbook Designs																					
Drama	3	Non-Verbal Communication- Mime					Script Writing & Voice work Melodrama Theatre Style					Group Performances Learning blocking/character development/theatrical styles											
		Students keep a developmental drama journal throughout the semester																					
Art	3	Painting (Drawing) Theme Based					Paper Mache (Theme Based)					Visual Communication											
		Study of Art Elements/Theory assignment (Introduction into art elements)																					
		Sketchbook Design and Drawing Task																					
Music	3	Performance skills					Music arrangement			Composition			Solo performance					Group performance					
		Theory/analysis studied throughout the semester																					
Design Technology Wood	3	Safe use of hand and power tools		The design process used in the design and production of a Chopping Board					CAT 1: varies			Safe use of hand and power tools		The Design Process used in the design and production of a Tic Tac Toe Game Box			Electronics		CAT 2: varies			Reflection and Extension	
		CAT 3: Combination of theory and practical skills and challenges during the semester																					
Food Technology	3	Safety		Equipment / Measurements		Sensory Evaluation		Nutrition and Dietary Requirements		Practical Sessions					Design Briefs: Investigation, Design, Production & Evaluation					Self-evaluation and Reflection			
Horticulture	3	Tool Safety		Plant selection and planting			Plant classification		Plant function and reproduction			Soil and nutrients		Systems, design and hydroponic systems			Plant identification and design		Self-Evaluation and Reflection				
		Plant propagation and Cultivation																					
Textiles	3	Investigating safety and Simple and complex equipment		Investigating fabric			Product construction										Evaluating and reflection						
Solar CO2 Cars (Challenge Unit)	3	Safe use of hand and power tools		How to design a solar-powered vehicle					CAT 1: Solar-powered vehicle			Safe use of hand and power tools		How to design and create a CO2-powered vehicle.			CAT 2: CO2-powered vehicle			Reflection and Extension			
		CAT 3: Combination of theory and practical skills and challenges during the semester.																					

Year 8 Semester 2

SUBJECT	Periods per Week (48 Minutes)	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20				
LOTE: French	3	Everyday life										Travel													
LOTE: Indonesian	3	Shopping										Celebrations and Ceremonies													
Maths	5	Measurement – perimeter, area, volume and capacity						Algebra – Simplifying expressions and solving equations						Statistics				Number - Percentages							
Maths SEALP	5	Probability	Algebra – simplifying, factorizing and solving non-linear equations						Measurement				Statistics				Number – indices and scientific notation								
English	5	Text Study: The Outsiders (Mainstream)/The Hunger Games (Girls) (CAT 1: Text Response Essay)						Creative Film Response (CAT 2: Folio piece)				Literature Circles / Film as text: Remember the Titans (CAT 3: Participation and creative response to themes)													
English SEALP	5	Text study: Romeo & Juliet (CAT 1: Analytical essay – compare and contrast with Zeffirelli's Romeo & Juliet)						Gothic Literature (CAT 2: Genre study anthology)				Literature Circles (CAT 3: Participation and gothic genre story)													
Science	3	Physical & Chemical Change continued...						Energy Types				Cells and Microscopes				Rocks & Minerals									
Science SEALP	3	Electric Circuits						Ecosystems				Chemical Reactions													
Humanities	3	Landforms and Landscapes						Coasts (fieldwork)				Changing Nations													
Home Group	1	Mental Health						Habits of Mind																	
Sport	2 (half year)	1.Students choose two sports during first or second semester and one challenge unit during the other semester.										Students choose from a range of sports & leisure activities													
HAPE Health PE	0.6 1.4	Speedball			Game Sense			Health: Harm Minimization				Badminton				Fitness				Minor Games					
Visual Art	3	Portraiture (Drawing/Painting)						Ceramics (3D work)				Visual Communication													
Drama	3	Non-Verbal Communication- Mime						Script Writing & Voice work Melodrama Theatre Style				Group Performances Learning blocking/character development/theatrical styles													
Art	3	Painting (Drawing) Theme Based						Paper Mache (Theme Based)				Visual Communication													
Music	3	Performance skills				Music arrangement				Composition				Solo performance				Group performance							
Design Technology Wood	3	Safe use of hand and power tools		The design process used in the design and production of a Chopping Board				CAT 1: varies				Safe use of hand and power tools		The Design Process used in the design and production of a Tic Tac Toe Game Box				Electronics		CAT 2: varies				Reflection and Extension	
Food Technology	3	Safety		Equipment / Measurements		Sensory Evaluation		Nutrition and Dietary Requirements		Practical Sessions						Design Briefs: Investigation, Design, Production & Evaluation				Self-evaluation and Reflection					
Horticulture	3	Tool Safety		Plant selection and planting				Plant classification		Plant function and reproduction				Soil and nutrients		Systems, design and hydroponic systems				Plant identification and design		Self-Evaluation and Reflection			
Textiles	3	Investigating safety and Simple and complex equipment		Investigating fabric				Product construction										Evaluating and reflection							
Solar CO2 Cars (Challenge Unit)	3	Safe use of hand and power tools		How to design a solar-powered vehicle				CAT 1: Solar-powered vehicle				Safe use of hand and power tools		How to design and create a CO2-powered vehicle.				CAT 2: CO2-powered vehicle				Reflection and Extension			
CAT 3: Combination of theory and practical skills and challenges during the semester.																									

Year 9 Semester 1

SUBJECT	Periods per Week (48 Minutes)	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20			
LOTE: French	3	Town and Transport										Restaurant					Exam	Exam						
LOTE: Indonesian	3	Sports and Hobbies							Future Aspirations and Career					Writing Indonesian Stories					Exam Revision	Exam				
Maths	5	Measurement and Geometry - triangles							Number - Financial Maths					Algebra – Linear Equations					Exam Revision	Exam				
Maths SEALP	5	Linear equations					Linear graphs					Probability					Geometry					Exam Revision	Exam	
English	5	The Craft of Writing (CAT 1: Free choice creative piece)										Media Literacy - Issues & persuasive language techniques (CAT 2a: Oral point of view on an issue - radio segment/debate CAT 2b: Written analysis of persuasive language - full essay)												
English SEALP	5	Text study: Macbeth (Text response essay / Creative activities included in coursework)										Media Literacy Issues & persuasive language techniques (CAT 2a: Oral point of view on an issue CAT 2b: Comparative language analysis essay of two articles)												
Science	3	Acids and bases					Geological Activity					Responding to Systems					Electric Circuits					Exam Revision	Exam	
Science SEALP	3	Genetics					Evolution					The Periodic table					Reaction rates					Exam Revision	Exam	
Humanities	3*	Geography - Food Security & Geographies of Interconnection										History - The Making of Modern Australia (from Industrial Revolution to WWI)										Exam Revision	Exam	
Home Group	1	Goal Setting and Study Habits										Managed Individual Pathways												
HAPE - HEALTH / PE	3 periods	Introduction		Fitness Testing			Courts Sports/ Sexuality					Life Long Sports/ Health across the Lifespan					Net/Wall Sports/ Muscular System							
Immersion	12 (1xTerm in Term 1, 2, 3 or 4)	Introduction		Research		Making A Difference Project			Thesis			Oral Presentation			Community Service									
Visual Art	3	Drawing on a theme/Pencil and colour pencil skills and techniques							Lino Printing (+ Other printing techniques Stencil Printing)					Abstract Art (Painting)										
Drama	3	Dramatic elements used in performance				Ensemble Performance				Introduction to Realism								Scripted Performance		Improvisation				
Sculpture	3	Clay sculpture on a theme					Themed Sculpture – Paper Mache					Themed Sculpture												
VCD	3	Design elements and principles		Technical Drawing		Typography, drawing and shading exercises			Packaging and logo design		One point perspective		Isometric/oblique drawing		Packaging and drink design		Design test		Computer design related project					
Music	3	Performance skills					Music arrangement			Composition			Solo performance					Group performance	Project					
Technology		Theory/analysis studied throughout the semester																						
Wood Technology	3	Safe use of hand and power tools		The design process used in the design and Production of practice joints, Elements and Principles, CAD					CAT 1: Finger Joint Box			Safe use of hand and power tools		The Design Process - CAT 2: Personal Design								Reflection and Extension		
Creative Woodcraft	3	Safe use of hand and power tools		Fine woodworking skills theory and practice. The design process used in creation of a chess box set, wooden playing pieces and 3D printed pieces.					CAT 3: Combination of theory and practical skills and challenges during the semester													Reflection and Extension		
Food	3	Intro		Equipment and Safety			Measurement			Sensory evaluation			Design briefs					Nutrition and diet						
Horticulture	3	Tools and Equipment Safety		Plant physiology, selection and propagation		Soils and nutrients			Hydroponics/Vertical Gardens					Plant Identification and Landscape Design			Design Briefs Investigation, Design and Plant Investigation			Self-Evaluation and Reflection				
Textiles	3	Simple & Complex Equipment			Fabric Techniques			Construction Processes					Fashion Trends					Commercial Patterns			Product Construction			
Electronics/Robotics	3	Safety / What is Electricity?		Research Project (CAT)			Robotics Programming Robots (CAT)					Creating Circuits Soldering Production of Electronic Dice and Doorbell (CAT)												
Multi-technology Photography	3	Technical photography vocabulary and terms Camera Techniques										Calendar Design using Photoshop Understanding printers/Papers Printing processes										Front cover magazine or brochure / Real Estate		
		Best Practice for the Camera Photoshop skill-building Field Excursions																						

Year 9 Semester 2

SUBJECT	Periods per Week (48 Minutes)	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20						
LOTE: French	3	Friends and Relationships										Media															
LOTE: Indonesian	3	Film and Entertainment								Visiting Indonesia				Cooking													
Maths	5	Algebra – simplifying, factorizing and solving non-linear equations										Measurement			Statistics			Exam Revision and Exams									
Maths SEALP	5	Number - Surds & Indices					Trigonometry					Quadratics			Parabolas												
English	5	Comparison study - Bladerunner (film) and Do Androids Dream of Electric Sheep? (CAT 3: Comparative essay)										Immersion															
		*PAT, on-demand and other testing																									
		Independent reading Writer's notebook Literacy skills																									
English SEALP	5	Comparison study: Bladerunner (film) and Do Androids Dream of Electric Sheep (CAT 3: Comparative essay)										Immersion															
		*PAT, on-demand and other testing																									
		Independent reading Writer's notebook Literacy skills																									
Science	3	Responding Systems						Electric Circuits						Immersion or Ecosystems and Chemical Reactions													
Science SEALP	3	Newton's Laws										Origins of the Universe															
Humanities	3*	Politics - Federal Political System, the Electoral Process & Role of the Media										Immersion															
Home Group	1	Goal Setting and Study Habits										Managed Individual Pathways															
HAPE Health PE	3 periods	Net/Wall / Muscular System				Football Codes/ STI'S/ Risk Taking Behaviours				Peer Teach/ First Aid				Fitness Testing				Fitness Testing				Student Choice					
Immersion	12 (1xTerm in Term 1, 2, 3 or 4)	Introduction		Research		Making A Difference Project				Thesis		Oral Presentation				Community Service				Literacy (research and thesis language construction) / Numeracy (quantitative and qualitative data analysis, interpretation and graphing)							
Visual Art	3	Drawing on a theme/Pencil and colour pencil skills and techniques								Lino Printing (+ Other printing techniques Stencil Printing)								Abstract Art (Painting)									
		Art Theory Assignment																									
		Sketchbook exercises on art elements and principles + art analysis throughout the semester/Text book 'Art Detective'																									
Drama	3	Dramatic elements used in performance				Ensemble Performance				Introduction to Realism								Scripted Performance				Improvisation					
Sculpture	3	Clay sculpture on a theme						Themed Sculpture – Paper Mache						Themed Sculpture													
		Sketchbook exercises Visual Analysis Research Assignment/Text book work 'Art Detective'																									
VCD	3	Design elements and principles		Technical Drawing		Typography, drawing and shading exercises				Packaging and logo design		One point perspective		Isometric/oblique drawing		Packaging and drink design		Design test		Computer design related project							
Music	3	Performance skills				Music arrangement				Composition				Solo performance				Group performance				Project					
		Theory/analysis studied throughout the semester																									
Technology																											
Wood Technology	3	Safe use of hand and power tools		The design process used in the design and Production of practice joints, Elements and Principles, CAD						CAT 1: Finger Joint Box				Safe use of hand and power tools		The Design Process - CAT 2: Personal Design								Reflection and Extension			
		CAT 3: Combination of theory and practical skills and challenges during the semester																									
Creative Woodcraft	3	Safe use of hand and power tools		Fine woodworking skills theory and practice. The design process used in creation of a chess box set, wooden playing pieces and 3D printed pieces.				CAT 1: Chessbox CAT 2: Wooden chesspieces CAT 3: 3D Printed chesspieces								Reflection and Extension											
Food Technology	3	Intro		Equipment and Safety		Measurement		Sensory evaluation				Design briefs				Nutrition and diet											
Horticulture	3	Tools and Equipment Safety		Plant physiology, selection and propagation		Soils and nutrients		Hydroponics/Vertical Gardens				Plant Identification and Landscape Design				Design Briefs Investigation, Design and Plant Investigation				Self-Evaluation and Reflection							
		Plant propagation and Cultivation																									
Textiles	3	Simple & Complex Equipment		Fabric Techniques				Construction Processes				Fashion Trends				Commercial Patterns				Product Construction							
Electronics/Robotics	3	Safety / What is Electricity?		Research Project (CAT)		Robotics Programming Robots (CAT)				Creating Circuits Soldering Production of Electronic Dice and Doorbell (CAT)																	
Multi-technology Photography	3	Technical photography vocabulary and terms Camera Techniques										Calendar Design using Photoshop Understanding printers/Papers Printing processes										Front cover magazine or brochure / Real Estate					
		Best Practice for the Camera Photoshop skill-building Field Excursions
