Williamstown High School

Updated in 2021

Visitors in School Policy

1. Rationale

Williamstown High School (WHS) strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

2. Purpose

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Williamstown High School.

3. Implementation

Williamstown High School is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's *values*.

From time to time, different members of the public may visit our school. Visitors may include, but are not limited to:

- Parents
- Volunteers
- Prospective parents, students and employees
- Invited speakers, sessional instructors and others addressing learning and development
- Public officials (e.g. Members of Parliament, local councillors)
- Persons conducting business e.g. uniform suppliers, booksellers, official school photographers, commercial salespeople
- Tradespeople
- Children's services agencies
- Talent scouts

Requirements for visitors to produce a valid Working with Children Check (WWC) card

All visitors who are engaged in **child-related work** (see definition above) must have a valid WWC Check.

In some circumstances, visitors to Williamstown High School who are **not** engaged in child-related work will also be required to produce a valid WWC Check depending on the particular circumstances of their visit. For example, WHS will require a valid WWC Check for:

- **Visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties.
- **Visitors (e.g. contractors)**, who will regularly be performing work at the school and in circumstances where they will be performing their work in an area where they will be unsupervised and around children.

Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g. a visiting auditor who will be located in the front office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g. a Member of Parliament, a journalist, a prospective parent on a school tour) will not be required to have a WWC Check).

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check, but may be asked to verify that they are sworn officers by providing proof of identification.

Invited speakers and presenters

On occasion, WHS may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, WHS will:

- Ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- Ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
 - Elected government
 - The rule of law
 - Equal rights for all before the law
 - Freedom of religion, speech and association
 - The values of openness and tolerance
 - Respect the range of views held by students and their families.

Parent visitors

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick ups and drop offs or for specific school events (e.g. parent teacher interviews, concerts, assemblies etc.), are required to sign in as a visitor at the school office.

6. Definitions & references

Child-related work: As defined by the Working with Children Act 2005 (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties.
