NEW CANTEEN SERVICES COMMENCING TERM 1, 2025

With great excitement, H & H Canteens along with Ottimo Catering (Teresa Nobile), be providing the canteen services at Williamstown High School starting Term 1, 2025.

We truly believe all students deserve healthy and nutritious food to support their growth and learning. Delivering this is our passion and is why we have dedicated staff who prepare our fresh and healthy meals.

So, welcome to Ottimo Catering Services, and thank you for having us as part of your school community!

Our Menu

Our team cook the traditional way! We take advantage of fresh herbs and spices to boost the flavor in our foods.

We cater to the fussiest of eaters! Our delicious sauces are packed full of veggies, they won't even see! We also keep our menus fresh and updated, keeping it exciting for staff and students, which encourages them to try a different range of wholesome foods. Parents can enjoy a guilt-free day off from making lunch too, knowing that our lunches are not only affordable but fresh and healthy.

Great care has been given to our menu design, ensuring many dietary requirements have been fulfilled and offered with our new menu.

Ordering

Lunch orders can be placed through our online ordering system Flexischools. Please note a flyer will be sent out with details on how to download and set up along with our menu the week before school returns in 2025. Our full menu range is available to order on Flexischools and is a guaranteed way to get precisely what you want for lunch, and your dietary requirements are met too. Orders can be placed in advance until 8.30am on the day the order is required.

There will also be a range of food that can be purchased over the counter at recess and lunch but please note it will not be the full menu range as online.

Looking forward to 2025

Kind Regards
