TRIATHLON COACH

Mat Tippett

Biography

Mat is the Director and Coach of ETPA. Since 2002, ETPA Racing has transformed itself from a sole trader, operating with a handful of personal clients to a company that employs six staff who coordinate three venues and service approximately 150 athletes. ETPA offers email based training programs, venue based group training programs, online customer interface, online product sales and a well-defined triathlon and multisport coaching network with access to the world's leading specialist providers.
