

Year 7 Semester 2		1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20										
SUBJECT	Periods per Week (48 Minutes)																														
LOTE: French	3	Family										Sport and Describing People																			
LOTE: Indonesian	3	School										Food																			
Maths	5	Algebra - Tables, Graphs and Rules					Algebra – Techniques and Solving Equations					Geometry - Transformations, Angles and Polygons																			
Maths SEALP	5	Measurement					Probability					Number - Rates and Ratios																			
English	5	Text Study: The Bone Sparrow										Poetry Analysis																			
English SEALP	5	Text Study: Merchant of Venice										Creative Writing: Writer's Notebook																			
Science	3	Forces					Earth and Space					Earth's Resources																			
Science SEALP	3	Cells and Microscopes					Physical and Chemical Change					Digestive Systems					Earth and Space														
Humanities	3	Water in the world										Place and Liveability (inc. Fieldwork)																			
Humanities SEALP	3	Liveability										Population Studies																			
Home Group	1	Available Resources / What is Bullying?	Project Rock it Debrief	Goal Setting Semester 2	How to manage Bullying	How to identify Bullying	Personal Learning Goals	Personal Safety at School	Being Assertive	Seeking Help / Attitudes to School	TBC																				
Sport	2	Students choose from a variety of sports										Students choose from a range of sports & leisure activities																			
HAPE Health PE	0.6 1.4	Aquatics					Netball					Softball/TBall					Health: Adolescence and Change					Fitness Testing					Minor Games				
Drama	3	Non-Verbal Communication- Mime					Play Building - Ensemble Performance					Drama Workbook (Dramatic Styles, Self Evaluation, Research, Reflection)																			
Art & Design	3	Painting (Drawing) Theme Based					Paper Mache (Theme Based)					Visual Communication																			
Music	3	Rhythm/Percussion					Pitch/keyboards					Harmony/Guitars					4 chord songs/Group Performance					Music changes the way we feel					Composition using ICT /Film Music				
Technology		Theory/analysis studied throughout the semester																													
Design Technology Wood	3	Safe use of hand and power tools	Using a range of hand tools and power tools. Analysis of products and material use in society. Improving drawing skills.				Manufacturing a product that integrates acrylic, electronics and wood					Safe use of hand and power tools	Designing and making a Chopping Board for an end user of students choice.					Design Challenge					Extension Tasks								
Food Technology	3	Safety	Equipment / Measurements		Sensory Evaluation		Nutrition and Dietary Requirements		Practical Sessions			Design Briefs: Investigation, Design, Production & Evaluation					Self-evaluation and Reflection														
Horticulture	3	Tool Safety		Plant selection and planting			Plant function and reproduction			Plant classification		Soil and nutrients		Systems, design and hydroponic systems			Plant identification and design		Self-Evaluation and Reflection												
Textiles	3	Investigating safety and Simple and complex equipment		Investigating fabric			Product construction					Evaluating and reflection
