1. Rationale

Williamstown High School understands that students may bring a personal mobile phone and/or wireless earbuds to school, particularly if they are travelling independently to and from school.

At Williamstown High School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in their lockers during school hours.
- Students who have earbuds must have them stored away during class time and any other times as directed by staff.

Exceptions to this policy may be applied if certain conditions are met (see below for further information)

When emergencies occur, parents and guardians should reach their child by calling the Reception.

This policy applies to:

1. All students at Williamstown High School and,
2. Students' personal mobile phones and earbuds brought onto school premises during school hours, including recess and lunchtime.

2. Purpose

To explain to our school community the Department's and Williamstown High School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices including earbuds during school hours.

3. Implementation

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Williamstown High School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Parent/carer contact with their child during the school day

Parent/carers are asked to contact Reception if they wish to contact their child their child rather than calling or sending a text message during school hours.

Contact with parent/guardian if child is feeling unwell during the school day:

If a student is unwell they should follow normal procedures, seek permission to go to the sick bay and Reception staff will contact the parent / guardian, if required.

Secure storage

Mobile phones and devices owned by students at Williamstown High School are considered valuable items and are brought to school at the owner's (student's or parent/carer/s) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so.

Please note that the school does not have accident insurance for accidental property damage or theft. Students and their parent/carer/s are encouraged to obtain appropriate insurance for valuable items. Refer to the Personal Accident and Insurance Policy on our school website.

Where students bring a mobile phone to school, the school provides secure storage in the form of a student locker and school approved combination lock. Secure storage is storage that cannot be readily accessed by those without permission to do so.

Enforcement

Students who use their personal mobile phones inappropriately at school may be issued with consequences consistent with our school's existing Student Engagement and Wellbeing Policy and the Bullying Prevention Policy.

At school, inappropriate use of mobile phones is any use during school hours, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers/staff and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- During formal assessment procedures (eg: VCAA exams, NAPLAN, SACs, Semester Exams, other formal assessments) students:
 - Must not bring a mobile phone to the assessment venue. If a student does bring a mobile phone to the assessment venue the student is required to give their mobile phone to a supervising staff member for the duration of the assessment procedure.

4. Specific procedures

School procedure for inappropriate use of mobile phone:

Students who use their mobile phone inappropriately at school will be dealt with in accordance with the school's Student Wellbeing and Engagement and Bullying Prevention policies. This may involve a mobile phone being securely stored, inaccessible to the student until arranged collection.

During this time, the mobile telephone will be stored securely at school and returned, as arranged, ie. at the end of the day, after a meeting with the student and parent/guardian and/or relevant school member if necessary. Whilst every care is taken for a mobile phone whilst in secure storage, the school assumes no responsibility for any alleged damage to the mobile phone whilst there.
