

WILLIAMSTOWN
HIGH SCHOOL

LOCAL EXCURSIONS PERMISSION NOTICE

Schools are able to seek consent annual for local excursions that are within walking distance of the school. The purpose of the excursions will be to engage in educational activities within the local area.

This includes the use of reserves, ovals, transition between campuses, Jawbone Marine Sanctuary, Williamstown Town Hall, the swimming pool and Port Phillip Bay for experienced swimmers on calm days.

Parents/carers will be informed about the local excursions prior to the event.

Students will be under the supervision of their teacher at all times and students will be expected to represent themselves appropriately and in accordance with the school's expectations whilst out in the community. Please indicate your consent, which will remain current for the 2023 school year.

Please contact Reception at the respective campus for further information as required.
